French

## PROFILE

---

After obtaining my Master's degree in Law at the University of Ghent (UGent), I completed the advanced Master in Social Law organised by the Free University of Brussels (VUB). I got the opportunity to continue my academic career at the VUB by starting a PhD within the Public Law department. In my research, I focus on developing a typology of socio-fiscal welfare measures and their place within the EU right to free movement.

## WORK EXPERIENCE

---

PhD candidate

VUB

Topic: "Socio-fiscal welfare and EU free movement law: bridging the gap"
